James Reichardt, Chair, The Fellows

As the charitable arm of the Illinois State Bar Association, the Illinois Bar Foundation's mission is to serve the people of Illinois by contributing to programs dedicated to improving the administration of justice and to sustaining and enhancing the ideals of the legal profession. This year, the Foundation expects to distribute almost \$350,000 in grants to programs that enhance our system of justice, in scholarships to encourage the worthiest of law students and in subsistence payments to lawyers or their survivors who have fallen on hard times due to age or infirmity.
